

PHARMGRAD: THE CENTRALIZED APPLICATION SERVICE FOR PHARMACY GRADUATE PROGRAMS

WELCOME TO PHARMGRAD

To simplify the application process for prospective pharmacy graduate students and to facilitate the admissions process for these programs, the American Association of Colleges of Pharmacy (AACP) is offering the Pharmacy Graduate Application Service (PharmGrad).

PHARMGRAD OFFERS YOUR PROGRAM:

- Nationwide promotion of your pharmaceutical, clinical, regulatory and administrative sciences programs so you can reach a broader spectrum of applicants. This can also help to diversify the quality of the applicant pool.
- Free cloud-based admissions management software (WebAdMIT) for participating graduate programs to access applicant data and records allowing users to review files from anywhere at their convenience.
- Innovative communications tools that target your messaging so you can engage with prospective students more authentically.
- Rich applicant data including customizable GPA display, test scores and demographic information to guide your admissions decisions.
- Automatic ranking and scoring of applicants based on customizable criteria as well as customized materials and branding for your school to support your unique admissions processes.
- Flexibility to accept applications outside of the service between application cycles.
- Processing services that direct your staff's attention from resource-intensive administrative tasks to strategic admissions decisions.
- As more programs participate, potential for robust applicant reporting, including dynamic reports during the application cycle and final year reports.
